## Accompanying children to events

Please accompany children under ten to events. Everyone attending an event will require a ticket. As space is limited, we can only admit ticket holders - additional babies/siblings may only be admitted at our discretion.

## Duration of events

All events last 1 hour unless otherwise indicated in the event listings.

## Latecomers policy

We do not admit latecomers once the doors have been closed to an event, or give refunds on latecomer's tickets. However, we understand people with young children may need to leave an event unexpectedly and we will help you exit as discreetly as possible, and get you back in again should you want to return.

The Book Festival is a charming tented village with lots of grass, walkways, bars, cafés and bookshops. It is a family-friendly space where children and adults can relax and have some fun. There's space to play, free daily activities and a big bookshop just for children. Interactive events for babies to teens take place throughout the Festival.

## Baillie Gifford Children's Bookshop

This is our bookshop just for children (books for adults can be found in The Bookshop). We have hundreds of books for all ages and tastes. Feel free to spend lots of time browsing or enjoying the children's reading area.

## Buggies, pushchairs and baby change

Buggies cannot be taken into the theatres, however we've provided a Buggy Park in the Gardens next to the Baillie Gifford Story Box. It is not staffed and items are left at the owner's risk. You can find the baby change area by the toilets.

## Picnics and packed lunches

You're welcome to bring your own food and soft drinks. Relax on the grass for as long as you wish – you don't have to see an event. We've provided drinking water taps so you can fill up water bottles.

## Food and drink for children

Our cafés serve a range of food and drink for children and we have high chairs for youngsters.

## Age suitability of events

We've recommended an age range for each event. These are chosen in consultation with the publisher/author, taking into account the length, content and format of each event.

## Bringing babies to adult events

You may bring your baby to an adult event if you cannot make alternative arrangements. Request a free baby ticket from the Box Office before the event. Our staff will find you a seat near the door to allow a swift exit, should it become necessary. Out of consideration to others, we will ask you to leave if your baby is noisy.
